## PERSONAL DETAILS

Remera, Kigali City  
ndeingare@gmail.com, +250798974551  
LinkedIn: [linkedin.com/in/eben-ezer-ndeingar](https://www.linkedin.com/in/eben-ezer-ndeingar)

---

Motivated and detail-oriented Computer Science student at the University of Kigali with a strong foundation in Excel, SQL, and Python. Passionate about data analytics and leveraging programming to solve real-world problems. Eager to contribute to impactful, collaborative projects while continuously expanding my technical and analytical skills.

---

## EDUCATION

**Bachelor of Science in Computer Science**  
**University of Kigali, Kigali**  
**January 2024 – Present**

- Courses include: Data Structures, Algorithms, Database Management, Programming in Python, C, and C++.
